

Parents/Guardians,

This year, the DES Wellness Leadership Team will be again be implementing a healthy snack cart called the “Snack Shack”. It will be an opportunity for students in **Grades 2-5** to purchase healthy snacks before school. The DES wellness team has two main goals: to promote physical activity and to promote healthy eating, which is our goal for the Snack Shack.

How will it work? Each day from 7:30-7:55am there will be an opportunity for students to stop by and purchase an inexpensive snack. **The money for the snack will come out of the student’s lunch account.** There is also an opportunity to help out fellow students who may not be able to afford snacks at this time. One of our priorities is for all students to have this opportunity!

The cost is \$0.50 per day and includes options such as fruit, crackers, breakfast bars, and sometimes fruit snacks. Students are not required to purchase a snack every day if they sign up for the program. Money will only be taken out on days that snacks are purchased, just like our current lunch system.

Please check from the following options and return the bottom portion of this sheet to your child’s teacher by **September 3<sup>th</sup>**. If you would like to change your child’s Snack Shack status or have any questions, please contact us at 935-3307 option 2.

**Please note: Students with delinquent lunch accounts may not be allowed to purchase snacks.**

I give my child permission to purchase one snack per day, and I understand that the money for the snacks will be taken out his/her lunch account.

I would like my child to have the opportunity to purchase healthy snacks but cannot afford it at this time. Please consider helping my child with a sponsorship.

Contact Info: \_\_\_\_\_

No thanks, I do not want my child to purchase snacks from the Snack Shack.

I would like to help sponsor a child. Any amount will be appreciated (it would cost \$90/year or \$45/semester for a student to purchase a snack each day). Checks may be written to **DES**.
